**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support broadband competition. As entrepreneurs who as a whole are a large percent of employers and tax payers , we want free access for other internet companies to gain success in the market. It is unfair business practice to limit this possibility for other companies not only the huge conglomerate..
